

Dear Prof. Yu Wen:

We wish you everything goes well with you!

The conference date for 2022 IEEE International Conference on Intelligent Systems and Computational Intelligence (ICISCI2022, October 15-18) is approaching, and now it is clear to us that the invited speakers and panelists can't come to China for this conference due to the strict measures taken to contain Covid in China, we decided to have the conference online. We sincerely invite you to give an *online* keynote talk (50 minutes) at ICISCI2022. As a small token of appreciation, you will receive speaker fee USD2,000. Please let us know if you accept the invitation or not by *18 September*.

If you accept, please send us your talk title, abstract and bio with photo to Prof. Fanbiao Li at fanbiaoli@csu.edu.cn by *26 September*.

Thank you very much in advance for your attention. Please feel free to contact us if you have any questions.
